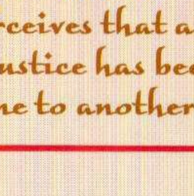
MEADE

He and his wife Rumi moved to Inoa from the Capital City. They live in this quiet little village with Meade's father, Wendell, and their twin sons Bergus, and Nestus, who are almost exact opposites. Bergus tends to be a loud and bratty kid, while Nestus tends to be quiet and well-behaved.

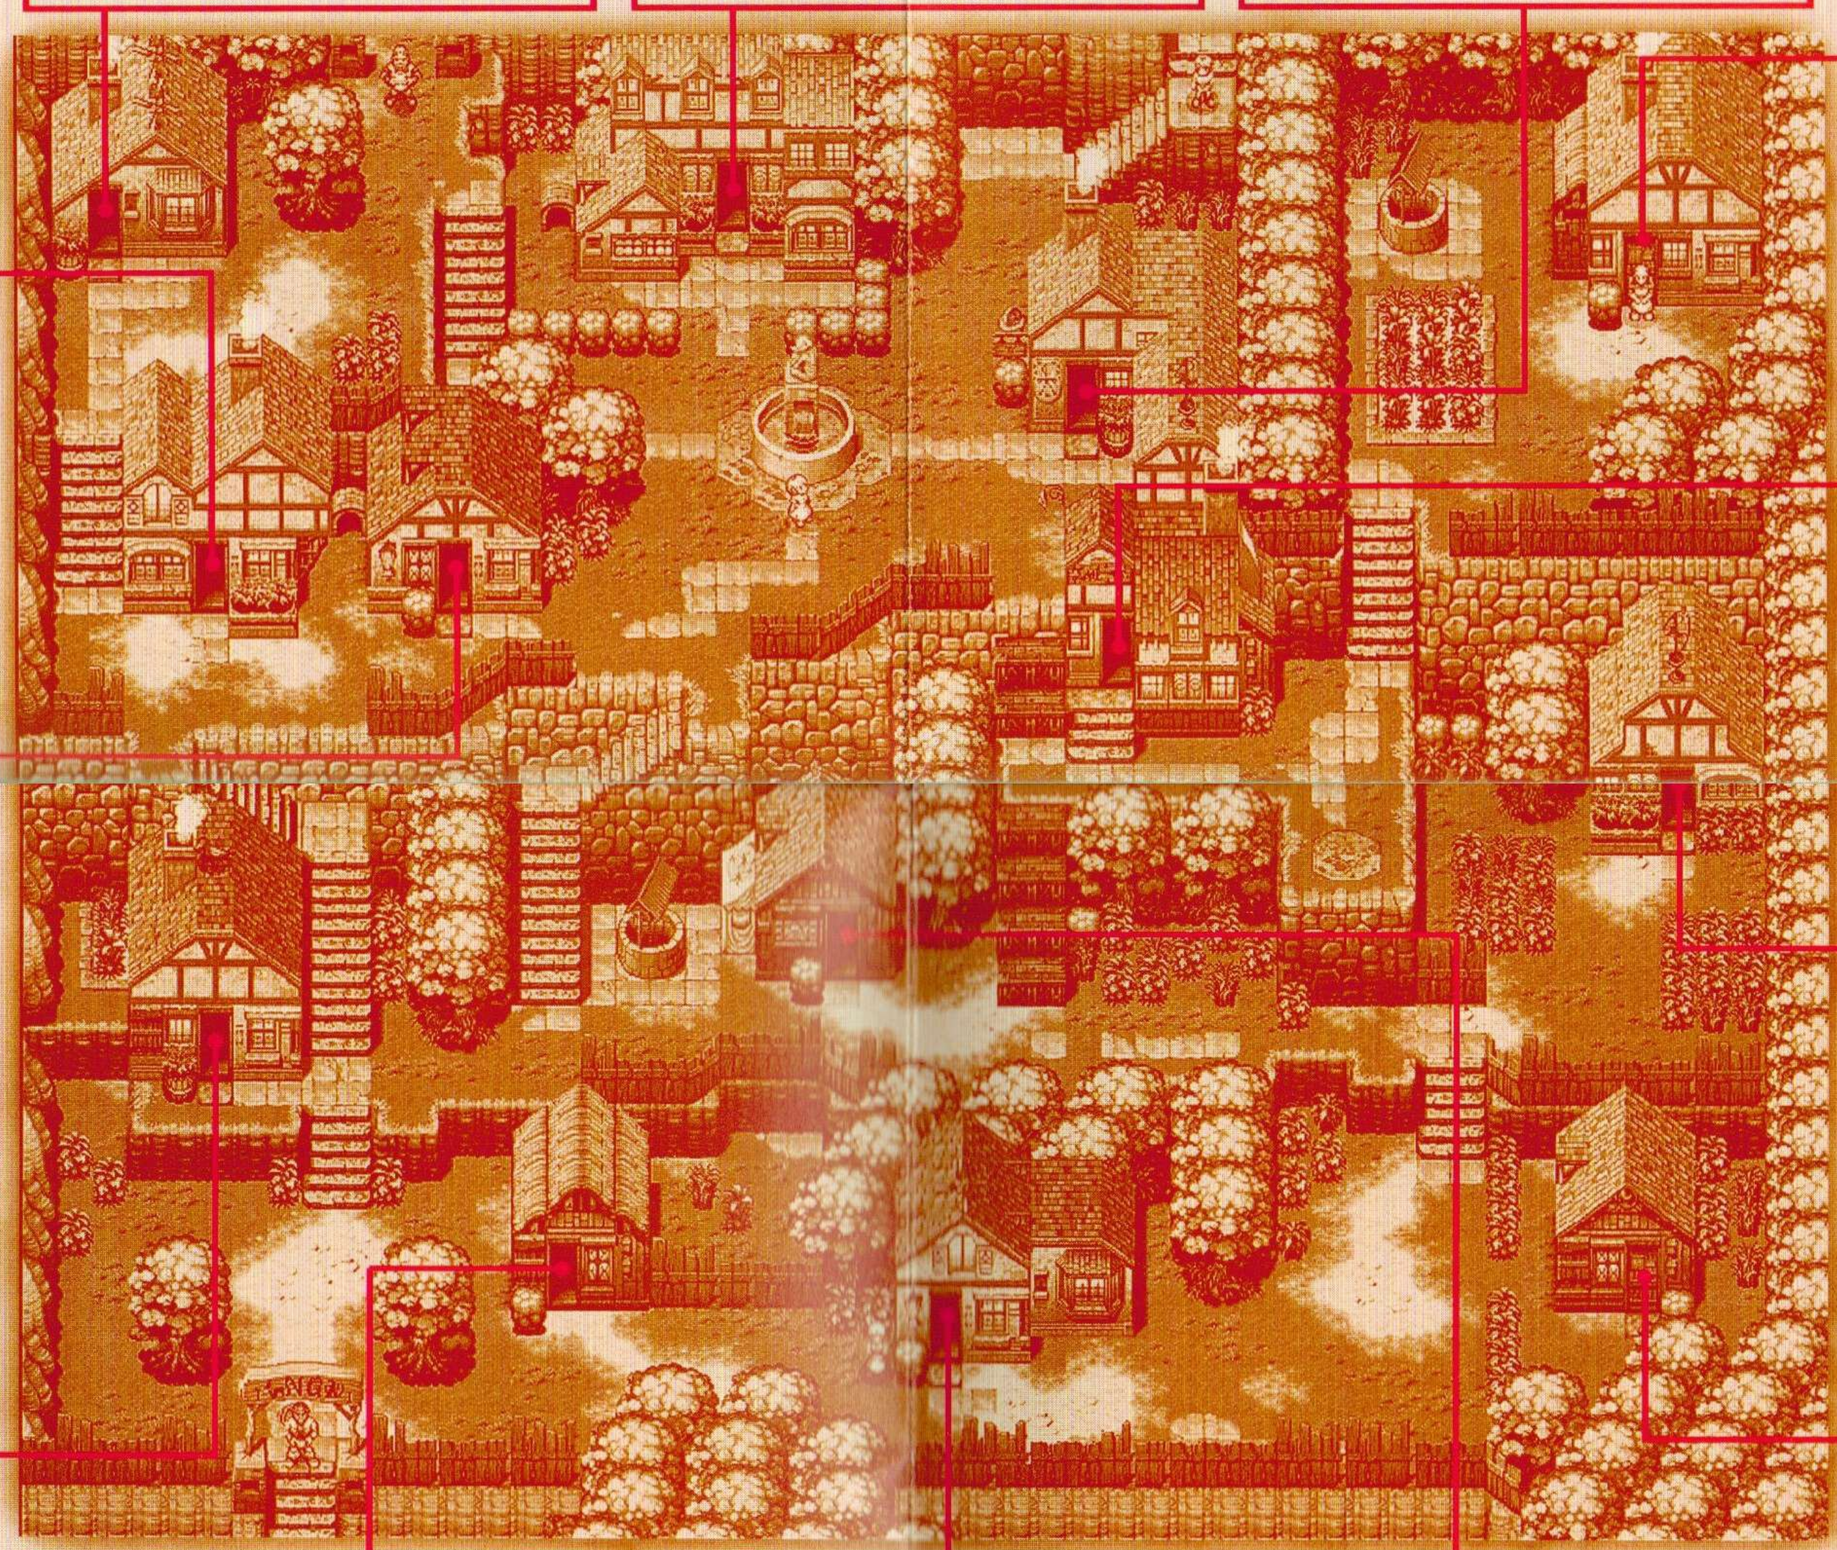
GILES



Giles became extremely religious when he lost both of his parents in a freak gardening accident. He now works very closely with Chancellor Ronan in the Sanctuary. He lives with his long-suffering sister, Kisha.

LUTAS

Lutas and his wife, Fein, are very friendly and easy-going. Fein is proud of her husband's sense of justice. Lutas has even been known to draw arms and fight when he perceives that an injustice has been done to another.



SEPTIMUS

Septimus has been researching dreams and nightmares for the past three years, ever since he came to Inoa. He hopes that one day his research can be used to save these people from their raging Id.

BEAUMONT

As the Village Elder, Beaumont's been busy trying to keep both the villagers and his family happy. His wife, Thyea, is humble and very intelligent. His son, Talis, on the other hand, is an arrogant little brat.

JESS

Jess operates the local store in Inoa. He's a very caring person who sees a lot of his late son in Alundra. His fatherly nature moves him to help Alundra by making many custom weapons and items for his quest.

SYBILL

Sybill has the ability to dream only when she's awake. Her dreams seem to eerily portend future events with uncanny accuracy. Needless to say, other villagers are very wary of her.

NAOMI

Naomi owns a small store in Inoa where villagers can buy healing herbs and other special items. Her husband Yuri spends most of his time roaming the land in search of herbs.

ELENE

Since her mother left and her father turned alcoholic, Elene spends most of her time in a multiple personality infested dream world.

KLINE

Despite his stern appearance, Kline is a very kind and likeable man. Not only is he known as the best fisherman in the village, but he is also known for his pinpoint accuracy as an archer.

BONAIRE

Bonaire is a laid-back, feel-good kind of lad. Because of his seeming lack of interest in the fairer sex, his ageing father, Phineas, is losing hope of seeing his son married.

NADIA

Her interest in Bonaire betrays her poor taste in men. Despite Myra's pleas for her to get involved with any other person, she has yet to give up on her one true love. One day, Bonaire may notice.

YUSTEEL

As one of the oldest residents of Inoa, Yustel has watched the village's descent into darkness with a sense of helplessness. She uses her crystal ball to give advice to the many troubled people of Inoa and to Alundra.
